CELÍACS
DOMINO

Objectiu de l'activitat: Formar una cadena de dominós i col·locar fitxes que encaixin amb les figures dels extrems de la cadena.

Normes de l'activitat:

1. Col·locar les fitxes cap avall a la taula i barrejar-les.

2. Si són dos jugadors, cadascú agafarà 6 fitxes. Si són més jugadors, cadascú agafarà 5 fitxes. Els jugadors no han de veure les fitxes dels altres.

La resta de fitxes es deixen a la taula mirant cap avall.

3. El primer jugador col·locarà una de les seves fitxes cap amunt al tauler.

4. El jugador següent haurà de col·locar una fitxa que encaixi amb una de les imatges/paraula. Si no teniu cap fitxa que encaixi haureu d'anar agafant fitxes de la taula una per una fins a trobar-ne una que encaixi.

Si no hi ha més fitxes a la taula per agafar, passa el torn al següent jugador.

El guanyador de la competició serà qui classifiqui per primer cop totes les fitxes al terreny de joc.
